

## Tools for Music Education

Here you'll find apps and online resources that we keep going back to, most of them are free or very low cost. We hope you'll find them useful. We are not associated with any of them, we just like their functionality. There are thousands of other choices, these are a few of our favorites.

<b>IMAGES</b>	
<a href="#"><u>sxc.hu</u></a>	<i>great images library of donated by photographers around the world, that you can generally use for most project</i>
<i>snapseed app - (<a href="#">Mac</a>, <a href="#">Google</a>, Desktop)</i>	<i>quick and intuitive image editor</i>
